Sewing Instructions:

Step 1: Using the illustration below as a guide, arrange the Step 4 units as shown. Using a 1/4" seam allowance, sew into rows and press the seam allowances to the left. Sew the top row to the bottom row to complete. Press the seam allowance to one side. Your block should measure 18-1/2" unfinished. Repeat this step three more times for a total of four blocks.

Sew into rows, press, then sew rows together.
Make 4.

Step 2: Using the illustration below as a guide, arrange the Step 3 units and remaining Step 4 units as shown. Using a 1/4" seam allowance, sew into rows and press the seam allowances to the left. Sew the top row to the bottom row to complete. Press the seam allowance to one side. Your block should measure 18-1/2" unfinished. Repeat this step three more times for a total of four blocks.

Sew into rows, press, then sew rows together.
Make 4.

That's it for Part 5!

Clue #6 will be ready at 4:00 pm Eastern time.
